Dear Friends:

I have just learned of your wonderful donation to the Day Center for the Homeless and wanted to express my thanks. I am always so grateful when I hear of gifts to the Center as their needs continue each day whether it is cold outside or warm. The staff and volunteers give assistance to over 400 clients each day which will range from clean clothes, a warm meal or for other needs that may help them return to independent living. I know those who will benefit from your gift will join me in sending our thanks and appreciation for your support.

Sincerely,

  
Henry Zarrow
